

DECREE:

**I AM THE ONE WHO IS**

*In this life, in this instant; I decide to be who I AM,  
I decide to LIVE, showing my essence.*

**I AM WHO I AM**, *an immense being of light and love.  
That is my essence and this is what I irradiate around me.*

*I recover my true Being,  
I get rid from all the ties and, finally,  
I am who It is.*

*Ma live is the manifestation of all what I am,  
Abundance, fullness, ...*

*I am an honest being who lives in harmony with all that surrounds it.*

*Thank you to the Universe for being who I am,  
Thank you to give me the opportunity to be here at this moment,  
thank you to give me the freedom to decide at every moment,  
and I decide to be again myself*

**I AM THE ONE WHO IS**
